

UPDATED MESSAGE FROM THE CITY OF GLENDALE

The State has issued a **Public Health Order** requiring all residents and businesses state-wide to **Stay at Home** except under certain circumstances. This order is effective beginning at 6:00 am Thursday, March 26, 2020. On March 27th, the State's Order was updated to clarify certain provisions.

This order is very similar to the ones issued by both Tri-County Health Department and Denver, and requires all residents of Glendale to stay in their homes (except for certain essential activities defined in the order); and requires all non-essential businesses operating in Glendale to cease the bulk of its activities (except for minimum basic operations as defined in the order). Essential businesses include restaurants/bars serving via take-out, delivery, or drive-thru; liquor stores; marijuana dispensaries; licensed gun shops; grocery stores; pet supply; convenience stores; hardware stores; and a variety of other business types (defined in the order).

While we have closed playgrounds and picnic areas in Glendale, the parks, basketball courts, and tennis courts remain open. **However, everyone must continue to comply with social distancing requirements by maintaining at least a 6-foot distance from other individuals.**

And to further support outdoor activity for everyone, the lights at Infinity Park South will be kept on every day from sunset to sunrise.

We understand that this is a difficult time for everyone, and we encourage you to call us if you have any questions. Please read the full order and FAQ from the State which is attached below; and always feel free to call or e-mail me if you have any questions.

DATE OF ORDER: MARCH 27, 2020

SECOND UPDATED PUBLIC HEALTH ORDER 20-24 IMPLEMENTING STAY AT HOME REQUIREMENTS

PURPOSE OF THE ORDER

I issue this Amended Public Health Order (PHO or Order) pursuant to the Governor's directive in Executive Orders D 2020 017 (**Ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State**) in response to the existence of hundreds of confirmed and presumptive cases of Coronavirus disease 2019 (COVID-19) and related deaths across the State of Colorado. Further, there is substantial evidence of community spread of COVID-19 throughout the State. This Order has been amended to direct Coloradans to Stay at Home.

FINDINGS

1. Due to the increasing incidence of COVID-19 in the general public, the designation of pandemic by the World Health Organization, the Declaration of a Disaster Emergency by Governor Polis on March 10, 2020, and a National Emergency by the President of the United States on March 13, 2020, and previous PHOs issued by this Department, including PHO 20-20 (Restricting Visitors all all Colorado Skilled Nursing Facilities, Assisted Living Residences and Intermediate Care Facilities); PHO 20-22 (Closing Bars, Restaurants, Theaters, Gymnasiums, Casinos, Noncritical Personal Services Facilities, and Horse Track and Off-Track Betting Facilities Statewide); and PHO 20-23 (Implementing Social Distancing Measures); I hereby declare that the actions and prohibitions outlined in this PHO are necessary for the health and safety of the residents of Colorado.
2. Scientific evidence and best practices regarding the most effective manner to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the population of Colorado is at risk for serious health complications, including death, from COVID-19 make it imperative that the measures included in this PHO be taken immediately.
3. There is clear evidence that some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings promote transmission of COVID-19. COVID-19 also physically contributes to property loss, contamination, and damage due to its propensity to attach to surfaces for prolonged periods of time.

4. The scientific evidence also shows that at this stage of the emergency, it is critical to slow transmission as much as possible to protect the most vulnerable and to prevent Colorado's health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable and increase the distance between people in the work environment. This PHO helps to reduce the property damage caused by COVID-19 and preserves the welfare of our residents by reducing the spread of the disease in our communities and our workplaces, and preserving critical emergency and healthcare capacity in the State.

INTENT

5. The intent of this PHO is to minimize contact between residents and to the greatest extent possible minimize the exposure of the public to contaminated public surfaces. By staying home we can maximize the number of people isolating in place, reduce the number of people congregating in workplaces at one time and reduce the proximity of people in the workplace, and enable the services, businesses, and travel necessary to protect public health and safety and preserve the continuity of social and commercial life as we save lives.

6. When people leave their places of residence, whether to obtain or perform critical emergency services, recreate, go to work, or for other valid reasons, they should at all times comply with **Social Distancing Requirements** as defined in Section III.F below. All provisions of this PHO should be interpreted to effectuate this intent. Failure to comply with any of the provisions of this PHO constitutes an imminent threat to public health.

ORDER

The following authorities in Public Health Order 20-24 Implementing Fifty Percent Reduction in Nonessential Business In-Person Work and Extreme Social Distancing are hereby superseded by this Updated Public Health Order 20-24:

1. Any provision authorizing a noncritical business to remain open to in-person work by reducing their in-person workforce by fifty percent;
2. Any provision authorizing a noncritical business to remain open to in-person work by self-certifying that the business meets the Social Distancing Requirements for all employees.

Public Health Order 20-23 Implementing Social Distancing is hereby superseded by this Updated Public Health Order 20-24.

I. STAY AT HOME

A. All individuals currently living within the State of Colorado are ordered to **Stay at Home whenever possible**. Individuals living in shared or outdoor spaces must at all times, to the greatest extent possible, comply with **Social Distancing Requirements**, and may leave their **Residences** only to perform or utilize **Necessary Activities**.

B. All public and private gatherings of any number of people occurring outside a **Residence** are prohibited, except for the limited purposes expressly permitted in this PHO which include Essential Activities. Nothing in this PHO prohibits the gathering of members living in the same **Residence**.

C. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their **Residence at all times** except as necessary to seek medical care.

D. Individuals experiencing symptoms of COVID-19 must self-isolate until their symptoms cease or until they have a negative test result. Due to limited testing availability and narrow criteria for testing, if an individual has tested positive for COVID-19 and/or has developed symptoms of COVID-19, including early or mild symptoms (such as cough and shortness of breath), they should be in isolation (staying away from others) until they have had no fever for at least seventy-two (72) hours (that is three full days of no fever without the use of medicine that reduces fevers), other symptoms have improved (such as cough or shortness of breath) and at least seven (7) days have passed since symptoms first appeared.

E. People experiencing homelessness are strongly urged to obtain shelter, and governmental and other entities are strongly urged to make shelter available as soon as possible and to the maximum extent practicable. People experiencing homelessness must comply with **Social Distancing Requirements** at all times.

F. All travel, including, but not limited to, travel by automobile or public transit, except **Necessary Travel** is prohibited. People must use public transit only for purposes of performing **Necessary Activities** or to travel to and from work to operate **Critical Businesses** or maintain **Critical Governmental Functions**. People riding on public transit must comply with **Social Distancing Requirements** as defined in Section III.F, below, to the greatest extent feasible.

II. BUSINESS REQUIREMENTS

A. **Critical Businesses**, as defined below, are exempt, subject to certain limitations, from this PHO and are encouraged to remain open. **Critical Businesses** must comply with **Social Distancing Requirements** at all times, adopt work from home or tele-work policies for any operations that can be done remotely, and implement other strategies, such as staggered schedules or re-designing workplaces, to create more distance between workers unless doing so would make it impossible to carry out critical functions. **Critical Businesses** that serve the public such as grocery stores and other Critical Retail shall comply with **Social Distancing Requirements** at all times including, but not limited to, when any customers are standing in line.

B. To successfully contain the spread of the virus, all employers and individuals must observe **Social Distancing Requirements** at all times and to the greatest extent possible.

C. All businesses required to close down their in-person work under this Order may continue to carry out **Minimum Basic Operations** as defined below. Businesses that can continue to operate through work at home arrangements with their employees are encouraged to do so

D. Child care facilities providing services exempted in this PHO must, to the extent possible, operate under the following mandatory conditions: (1) child care must be carried out in stable groups of 10 or fewer (“stable” means that the same 10 or fewer children are in the same group each day); (2) children shall not change from one group to another; (3) If more than one group of children is cared for at one facility, each group shall be in a separate group. Groups shall not mix with each other; (4) child care workers shall remain solely with one group of children. To the extent possible, child care shall be performed in compliance with **Social Distancing Requirements**.

III. DEFINITIONS

A. **Necessary Activities.** For purposes of this PHO, individuals may leave their Residence only to perform any of the following **Necessary Activities**, provided they comply at all times and to the greatest extent possible with **Social Distancing Requirements** below. People at high risk of severe illness from COVID-19 and people who are sick, however, must not leave their **Residence** except as necessary to receive medical care. **Necessary Activities** include:

1. Engaging in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members, including, but not limited to, pets and livestock, such as, by way of example only and without limitation, obtaining medical supplies, walking your dog, feeding barnyard animals, obtaining durable medical equipment, obtaining medication, visiting a healthcare professional, or obtaining supplies they need to work from home.
2. Obtaining necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, food, pet supply, other household consumer products, and products or equipment necessary to maintain the safety, sanitation, and essential operation of a Residence.
3. Engaging in outdoor activity, such as, by way of example and without limitation, walking, hiking, nordic skiing, snowshoeing, biking or running. For purposes of outdoor activity, State parks will remain open to the public to engage in walking, hiking, biking, running, and similar outdoor activities but all playgrounds, picnic areas, other similar areas conducive to public gathering, and attended areas shall be closed. For other parks, check with the local jurisdiction and follow any requirements for that jurisdiction. Additionally, the permitted outdoor activities in this PHO do not include activities that would violate the **Social Distancing Requirements** defined in Section III.F, below.
4. Performing work providing essential products and services for a **Critical Business** or **Critical Government Function** as defined in Section III.C and D, below, or to otherwise carry out activities permitted in this PHO.
5. Caring for a family member, a vulnerable person, or pet in another household, or to care for livestock kept at a location other than an individual's home.

B. Necessary Travel. For purposes of this Order, travel is Necessary for any of the following purposes: (1) providing or accessing **Necessary Activities, Minimum Basic Operations, Critical Government Functions, and Critical Businesses**; (2) receiving materials for distance learning, for receiving meals, and any other related services from educational institutions; (3) returning to a place of **Residence** from outside the jurisdiction; (4) travel required by law enforcement or court order; (5) travel to transport children between separate households pursuant to a parenting plan or other agreement governing parental responsibilities; (6) non-residents returning to their place of **Residence**.

C. Critical Business. Any business, including any for profit or non-profit, regardless of its corporate structure, engaged primarily in any of the commercial, manufacturing, or service activities listed below, may continue to operate as normal. **Critical Businesses** must comply with the guidance and directives for maintaining a clean and safe work environment

issued by the Colorado Department of Public Health and Environment (CDPHE) and any applicable local health department. **Critical Businesses** must comply with **Social Distancing Requirements** and all PHOs currently in effect to the greatest extent possible and will be held accountable for doing so. **Critical Businesses** do NOT include health clubs as defined in C.R.S. § 6-1-102(4.6), fitness and exercise gyms, and similar facilities, or any of the other businesses required to close by PHO 20-22.

“**Critical Business**” means:

1. Healthcare Operations, Including:

- Hospitals, clinics, and walk-in health facilities
- Medical and dental care, including ambulatory providers
- Research and laboratory services
- Medical wholesale and distribution
- Home health care companies, workers and aides
- Pharmacies
- Pharmaceutical and biotechnology companies
- Behavioral health care providers
- Veterinary care and livestock services
- Nursing homes, residential health care, or congregate care facilities
- Medical supplies and equipment manufacturers and providers, including durable medical equipment technicians and suppliers
- Blood banks

2. Critical Infrastructure, Including:

- Utilities and electricity, including generation, transmission, distribution and fuel supply
- Road and railways
- Oil and gas extraction, production, refining, storage, transport and distribution
- Public water and wastewater
- Telecommunications and data centers
- Transportation and infrastructure necessary to support critical businesses
- Hotels, and places of accommodation
- Businesses and organizations that provide food, shelter, social services, and other necessities of life for economically disadvantaged, persons with access and functional needs, or otherwise needy individuals

- Food and plant cultivation, including farming crops, livestock, food processing and manufacturing, animal feed and feed products, rendering, commodity sales, and any other work critical to the operation of any component of the food supply chain
- Any business that produces products critical or incidental to the construction or operation of the categories of products included in this subsection

3. Critical Manufacturing, Including:

- Food processing, manufacturing agents, including all foods and beverages
- Chemicals
- Computers and computer components
- Medical equipment, components used in any medical device, supplies or instruments
- Pharmaceuticals
- Sanitary products
- Telecommunications
- Microelectronics/semiconductor
- Agriculture/farms
- Household paper products
- Any business that produces products critical or incidental to the processing, functioning, development, manufacture, packaging, or delivery of any of the categories of products included in this subsection
- Any manufacturing necessary to support a **Critical Business**

4. Critical Retail, Including:

- Grocery stores including all food and beverage stores
- Farm and produce stands
- Gas stations and convenience stores
- Restaurants and bars (for take-out/delivery only as necessary under **Executive Order D 2020 011** and **PHO 20-22**, as amended)
- Marijuana dispensary (only for the sale of medical marijuana or curbside delivery pursuant to **Executive Order D 2020 011**)
- Liquor stores
- Firearms stores
- Hardware, farm supply, and building material stores

- Establishments engaged in the retail sale of food and any other household consumer products (such as cleaning and personal care products)
- Establishments engaged in the sale of products that support working from home

5. Critical Services, Including:

- Trash, compost, and recycling collection, processing and disposal
- Mail and shipping services, and locations that offer P.O. boxes
- Self-serve laundromats and garment and linen cleaning services for critical businesses
- Building cleaning and maintenance
- Child care services
- Automobile rental, auto supply and repair (including retail dealerships that include repair and maintenance, but not in person retail sales)
- Warehouse/distribution and fulfillment, including freight distributors
- Funeral homes, crematoriums, and cemeteries, with strict compliance with **Social Distancing Requirements** for employees and any attendees of services
- In-person pastoral services for individuals who are in crisis or in need of end of life services provided social distancing is observed to the greatest extent possible. Houses of worship may remain open, however, these institutions are encouraged to implement electronic platforms to conduct services whenever possible or to conduct smaller (10 or fewer congregants), more frequent services to allow strict compliance with **Social Distancing Requirements**.
- Storage for **Critical Businesses**
- Animal shelters, animal boarding services, animal rescues, zoological facilities, animal sanctuaries, and other related facilities

6. News Media

- Newspapers
- Television
- Radio
- Other media services

7. Financial and Professional Institutions, Including:

- Banks and credit institutions

- Insurance and payroll
- Services related to financial markets
- Professional services, such as legal, title companies, or accounting services, real estate appraisals and transactions

8. Providers of Basic Necessities to Economically Disadvantaged Populations, Including:

- Homeless shelters and congregate care facilities
- Food banks
- Human services providers whose function includes the direct care of patients in State-licensed or funded voluntary programs; the care, protection, custody and oversight of individuals both in the community and in State-licensed residential facilities; those operating community shelters and other critical human services agencies providing direct care or support

9. Construction, Including but not Limited To:

- Housing and housing for low-income and vulnerable people
- Skilled trades such as electricians, plumbers
- Other related firms and professionals for who provide services necessary to maintain the safety, sanitation, and critical operation of residences and other **Critical Businesses** or **Critical Government Functions**, and other essential services

10. Defense

- Defense, security, and intelligence-related operations supporting the State of Colorado, local government, the U.S. Government or a contractor for any of the foregoing
- Aerospace operations
- Military operations and personnel
- Defense suppliers

11. Critical Services Necessary to Maintain the Safety, Sanitation and Critical Operations of Residences or Other Critical Businesses, Including:

- Law enforcement
- Fire prevention and response
- Building code enforcement

- Security
- Emergency management and response
- Building cleaners or janitors
- General maintenance whether employed by the entity directly or a vendor
- Automotive and bicycle repair
- Disinfection
- Snow removal

12. Vendors that Provide Critical Services or Products, Including Logistics and Technology Support, Child Care and Services:

- Logistics
- Technology support for online and telephone services
- Child care programs and services
- Government owned or leased buildings
- **Critical Government Functions**

13. Educational Institutions that Provide Critical Services to Students and the General Public:

- K-12 public school and private schools for the purpose of providing meals, housing, facilitating or providing materials for distance learning, and providing other essential services to students, provided that **Social Distancing Requirements** are observed.
- Postsecondary institutions, including private and public colleges and universities, for the purpose of facilitating distance learning or performing essential functions, provided that **Social Distancing Requirements** are observed, such as security, medical and mental health services, housing, food services, and critical research.

D. Critical Government Functions. The provision, operation and support of the following state and local government functions shall continue:

1. Critical services, including
 - Public safety (police stations, fire and rescue stations, correctional institutions, emergency vehicle and equipment storage, and, emergency operation centers)
 - Emergency response
 - Judicial branch operations, including attorneys if necessary for ongoing trials and required court appearances, unless appearances can be done remotely

- Legislative and executive branch functions
- Emergency medical (hospitals, ambulance service centers, urgent care centers having emergency treatment functions, and non-ambulatory surgical structures but excluding clinics, doctors offices, and non-urgent care medical structures that do not provide these functions)
- Designated emergency shelters
- Communications (main hubs for telephone, broadcasting equipment for cable systems, satellite dish systems, cellular systems, television, radio, and other emergency warning systems, but excluding towers, poles, lines, cables, and conduits)
- Public utility plant facilities for generation and distribution (drinking water and wastewater infrastructure, hubs, treatment plants, substations and pumping stations for power and gas, but not including towers, poles, power lines, and oil and gas buried pipelines)
- Transportation. Airports, airlines, taxis, transportation network providers (such as Uber and Lyft), vehicle rental services, paratransit, and other private, public, and commercial transportation and logistics providers necessary for **Necessary Activities**
- Transportation infrastructure (aviation control towers, air traffic control centers, and emergency equipment aircraft hangars), critical road construction and maintenance
- Hazardous material safety
- Services to at-risk populations and **Vulnerable Individuals**
- Activities related to federal, state, and local elections, including any required acts of a political party, provided **Social Distancing Requirements** are observed to the greatest extent possible
- Any government service, state or local, required for the public health and safety, government functionality, or vital to restoring normal services

E. Minimum Basic Operations. The minimum necessary activities to (1) maintain the value of the business's inventory, ensure security, process payroll and employee benefits, or for related functions; or (2) facilitate employees of the business being able to continue to work remotely from their **Residences** are allowable pursuant to this Order; continue filling online product orders and to process customer orders remotely. Any business supporting **Minimum Basic Operations** must comply at all times with **Social Distancing Requirements**.

F. Social Distancing Requirements. To reduce the risk of disease transmission, individuals shall maintain at least a six-foot distance from other individuals, wash hands

with soap and water for at least twenty seconds as frequently as possible or using hand sanitizer, cover coughs or sneezes (into the sleeve or elbow, not hands), regularly clean high-touch surfaces, and not shake hands.

G. “**Stay at Home**” means to stay in your place of **Residence**, which includes hotels, motels, and shared rental facilities, and not leave unless necessary to provide, support, perform, or operate **Necessary Activities, Minimum Basic Operations, Critical Government Functions, and Critical Businesses**.

H. “**Vulnerable Individual**” means anyone with a disability, anyone over the age of 60 and anyone with a serious underlying health condition.

IV. Pursuant to Executive Order 2020 017, local public health agencies may apply for relief from the Executive Order or this Public Health Order to more effectively meet local conditions and needs through a process to be established by CDPHE.

V. Enforcement

This order will be enforced by any appropriate legal means. Local authorities are encouraged to determine the best course of action to encourage maximum compliance. Failure to comply with this order could result in penalties including a fine of up to one thousand (1,000) dollars and imprisonment in the county jail for up to one year, pursuant to 25-1-114, C.R.S.

VI. Severability

If any provision of this PHO to the application thereof to any person or circumstance is held to be invalid, the remainder of the PHO, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this PHO are severable.

VII. Duration

This PHO shall become effective at 6:00 a.m. on Thursday March 26, 2020 and will continue to be in effect until 11:59 p.m. on April 11, 2020, unless extended, rescinded, superseded, or amended in writing.

Jill Hunsaker Ryan, MPH
Executive Director

March 27, 2020

Ordering Coloradans to Stay in Place Due to the Presence of COVID-19 in the State

On Wednesday, March 25, Governor Polis issued Executive Order D2020-017 ordering Coloradans to stay in place due to the presence of coronavirus disease 2019 (COVID-19) in the state. Colorado Department of Public Health and Environment's (CDPHE) issued a public health order defining critical emergency personnel, infrastructure, government functions, and other activities that are exempt from the directives in this Executive Order. For more information on what this order means for you, please see below.

About the Order

When does the order take effect?

The order will take effect Thursday, March 26 at 6:00 a.m.

When does the order end?

The order is set to last through Saturday, April 11, 2020 unless rescinded or modified by further Executive Order.

Why is the Order necessary?

On March 5, 2020, CDPHE's public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb. We all need to take these precautions for the preservation of public health and safety throughout the entire State and to ensure our healthcare delivery system can serve those who are sick.

The Polis administration, along with other state, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources.

The economic impacts of COVID-19 are significant, and threaten to undermine the economic stability of many Coloradans and local businesses. The period of the economic disruption must be minimized by minimizing the spread of the virus. We must take action to shore up economic security, employment, community cohesion, and community recovery.

Where does the "Stay in Place" order apply?

The Governor's executive order includes the entire state except areas in which a county health authority obtains approval from CDPHE to modify the order. Unless you work for a critical business or are doing an essential activity, you should stay home. Work from home is permitted and encouraged where possible. Although this order does not apply to critical business, social distancing will be mandated for those businesses that remain open.

What is the difference between the stay in place order and social distancing?

Stay in Place makes it very clear that Coloradans should take extreme steps to avoid contact with anybody outside their household and minimize contact in public places that could be contaminated with the COVID-19 virus.

Social distancing is an important first step in preventing the spread of a disease like COVID-19 that allows people to go about their daily activities while taking extra health and safety precautions. The Stay in Place order requires people to remain in their homes unless they are going to or from work or doing an essential task like going to the grocery store or walking a pet.

Is this mandatory or just guidance?

This order is mandatory.

What does the Stay in Place order do?

For Businesses:

- Critical businesses exempt from this Executive Order.
- Critical businesses must take all steps possible to comply with social distancing requirements.

For Coloradans:

- To remain at home, only leave their home to engage in activities or perform tasks critical to their health and safety, or to the health and safety of their family or household members or to go to or return from critical work. They can leave their home to:
 - Obtain food and other household necessities for themselves and their family or household members.
 - Deliver those services or supplies to others, such as, food, pet supply, other household consumer products, and products or equipment necessary to maintain the safety, sanitation, and critical operation of a residence.
 - To engage in outdoor activity, such as, walking, hiking, nordic skiing, snowshoeing, biking or running. For purposes of outdoor activity, State parks will remain open to the public to engage in walking, hiking, biking, running, and similar outdoor activities but all playgrounds, picnic areas, other similar areas conducive to public gathering, and attended areas shall be closed.
 - To perform work for critical industries.
 - To care for a family member, a vulnerable person, or pet in another household, or to care for livestock kept at a location other than an individual's home.
 - To seek medical care.
 - Individuals experiencing symptoms of COVID-19 must self-isolate until their symptoms cease or until they have a negative test result.

Enforcement

How will this order be enforced?

This order is an executive order, which means it's the law of Colorado. It's illegal to break the law.

Will the Colorado National Guard be enforcing this order?

No. The Colorado National Guard will be supporting logistics, transportation, and medical response efforts. The Guard will not be enforcing this order.

Residents who suspect that someone is violating the order should first contact their local public health agency to report any concerns. Residents may also file a report with the Attorney General's Office at covid19@coag.gov if local law enforcement or a local public health agency is unresponsive.

For more information about public health orders and how they are enforced [click here](#).

How does this impact local municipalities that have already taken steps to enact stay at home orders?

- Any local jurisdiction can put in requirements that are more restrictive and anything that was in place stays in place.

What is a Critical Business or Operation Under the Order? These are the businesses that will be open:

1. Healthcare Operations, Including:

- hospitals, clinics, and walk-in health facilities.
- medical and dental care, including ambulatory providers.
- research and laboratory services.
- medical wholesale and distribution.
- home health care companies, workers and aides.
- pharmacies.
- pharmaceutical and biotechnology companies.
- behavioral health care providers.
- veterinary care and livestock services.
- nursing homes, residential health care, or congregate care facilities
- medical supplies and equipment manufacturers and providers, including durable medical equipment technicians and suppliers.
- This does NOT include health clubs as defined in C.R.S. § 6-1-102(4.6), fitness and exercise gyms, and similar facilities.

All medical, dental and veterinary care provided pursuant to this Order must comply with the directives set forth in Executive Order D 2020 009.

2. Critical Infrastructure, Including:

- utilities including power generation, fuel supply and transmission.

- oil and gas production field operations.
- public water and wastewater.
- telecommunications and data centers.
- transportation and infrastructure necessary to support authorized businesses.
- hotels, and places of accommodation.
- businesses and organizations that provide food, shelter, social services, and other necessities of life for economically disadvantaged, persons with access and functional needs, or otherwise needy individuals.
- food and plant cultivation, including farming crops, livestock, food processing and manufacturing, animal feed and feed products, rendering, commodity sales, and any other work critical to the operation of any component of the food supply chain.

3. Critical critical Manufacturing, Including:

- food processing, manufacturing agents, including all foods and beverages.
- chemicals.
- medical equipment supplies or instruments.
- pharmaceuticals.
- sanitary products.
- telecommunications.
- microelectronics/semiconductor.
- agriculture/farms.
- household paper products.
- any business that produces products critical or incidental to the processing, functioning, development, manufacture, or delivery of any of the categories of products included in this part 3.

4. Critical critical Retail, Including:

- grocery stores including all food and beverage stores.
- farm and produce stands.
- gas stations and convenience stores.
- restaurants/bars (for take-out/delivery only as defined in Executive Order _____)
- marijuana dispensary.
- firearms stores.
- hardware, farm supply, and building material stores.
- establishments engaged in the retail sale of food and any other household consumer products (such as cleaning and personal care products).
- Pet stores and gun stores.
- Liquor and marijuana.

5. Critical Services, Including:

- trash and recycling collection, processing and disposal.
- mail and shipping services, and locations that offer PO boxes.
- laundromats and drycleaning services.
- building cleaning and maintenance.
- child care services (following the requirements outlined in exemptions below).
- auto supply and repair (including retail dealerships that include repair and maintenance, provided that retail activity ceases).
- warehouse/distribution and fulfillment.
- funeral homes, crematoriums, and cemeteries.
- in-person pastoral services for individuals who are in crisis or in need of end of life services provided social distancing is observed to the greatest extent possible.
- storage for critical businesses.
- animal shelters, animal rescues, zoological facilities, animal sanctuaries, and other related facilities.

6. News Media

- newspapers.
- television.
- radio.
- other media services.

7. Financial Institutions, Including:

- Banks and credit institutions.
- Insurance, payroll, and accounting services.
- services related to financial markets.

8. Providers of Basic Necessities to Economically Disadvantaged Populations, Including:

- homeless shelters and congregate care facilities.
- food banks.
- human services providers whose function includes the direct care of patients in state-licensed or funded voluntary programs; the care, protection, custody and oversight of individuals both in the community and in state-licensed residential facilities; those operating community shelters and other critical human services agencies providing direct care or support.

9. Construction, Including:

- especially for housing and housing for low-income and vulnerable people.
- skilled trades such as electricians, plumbers.
- other related firms and professionals for who provide services necessary to maintain the safety, sanitation, and critical operation of residences.

10. Defense

- defense and security-related operations supporting the State of Colorado, local government, the U.S. Government or a contractor to either or all.

11. Critical Services Necessary to Maintain the Safety, Sanitation and critical Operations of Residences or Other critical Businesses, Including:

- law enforcement.
- fire prevention and response.
- building code enforcement.
- security.
- emergency management and response.
- building cleaners or janitors.
- general maintenance whether employed by the entity directly or a vendor.
- automotive repair.
- Disinfection.
- Snow removal.

12. Vendors that Provide Critical Services or Products, Including Logistics and Technology Support, Child Care and Services:

- logistics.
- technology support for online and telephone services.
- child care programs and services.
- government owned or leased buildings.
- critical government services.

13. “Critical Government Functions” means providing, operating, and supporting:

- a. Critical services, including:
 - i. public safety (police stations, fire and rescue stations, correctional institutions, emergency vehicle and equipment storage, and, emergency operation centers);
 - ii. emergency response;
 - iii. judicial branch operations
 - iv. emergency medical (hospitals, ambulance service centers, urgent care centers having emergency treatment functions, and non-ambulatory surgical structures

- but excluding clinics, doctors offices, and non-urgent care medical structures that do not provide these functions);
- v. designated emergency shelters;
 - vi. communications (main hubs for telephone, broadcasting equipment for cable systems, satellite dish systems, cellular systems, television, radio, and other emergency warning systems, but excluding towers, poles, lines, cables, and conduits);
 - vii. Public utility plant facilities for generation and distribution (hubs, treatment plants, substations and pumping stations for water, power and gas, but not including towers, poles, power lines, buried pipelines, transmission lines, distribution lines, and service lines); and
 - viii. transportation lifelines (public transportation, transportation infrastructure, airports (municipal and larger), helicopter pads and structures serving emergency functions, and associated infrastructure (aviation control towers, air traffic control centers, and emergency equipment aircraft hangars);
 - ix. hazardous material safety;
 - x. services to at-risk populations and Vulnerable Individuals;
 - xi. any government service required for the public health and safety, government functionality, or vital to restoring normal services.

What will be open during the duration of the order?

Will grocery stores be open?

Yes, essential services will still be operational including, but not limited to:

- Grocery stores.
- Gas stations.
- Pharmacies.
- Police stations.
- Fire stations.
- Hospitals, clinics and healthcare operations.
- Garbage/sanitation.
- Public transportation.
- Public benefits (i.e. SNAP, Medicaid) hotlines.

Can I order food/groceries?

Yes, grocery delivery will be available as well as meal-delivery, drive through, and take-out options.

Will liquor and cannabis stores be open?

Yes. Items will on be for sale only for off-site consumption and while purchasing social distancing should be practiced.

Healthcare

How can I get medical care if I need it?

If you are feeling sick, call your doctor, a nurse hotline, any telehealth hotline set up specifically for COVID-19 (check with your insurance company) or an urgent care center. If you are experiencing symptoms or are currently in isolation, you should stay at home and follow the guidelines provided by your physician. Do not go to an emergency room unless necessary. Nonessential medical care like eye exams and teeth-cleaning should be postponed. When possible, healthcare visits should be done remotely. Contact your healthcare provider to see what tele-health services they provide.

Can I get a prescription filled or other healthcare needs?

Yes. Pharmacies and other medical services will remain open. You should request for your prescriptions to be delivered to your home if that is possible.

Transportation

Will public transportation and ridesharing be available?

Public transportation and ridesharing should be used for essential travel only. When possible, walk or drive yourself.

Will roads in Colorado be closed?

No, the roads will not be closed in Colorado. You should only travel if it is essential to your work or health.

Can I take a flight out of state?

Planes and any other form of travel should only be used if absolutely necessary.

What if my home is not a safe environment?

If it is not safe for you to remain home, you are able and urged to find another safe place to stay during this order. Please reach out so we can help. You may call the domestic violence hotline at 1-800-799-7233 or contact your local law enforcement.

What About Vulnerable and Children Populations

What about homeless people who can't stay at home?

The administration wants to protect the health and safety of all Coloradans, regardless of where they live. State agencies are partnering with community organizations to provide funding and resources to ensure our homeless population has safe shelter.

The Department of Local Affairs is working on getting a list of Cold Weather Shelters in the Balance of State Continuum of Care with; Contact info, Locations, Bed counts, Closing Dates.

In addition DOLA is working with state and local partners who provide services to our unhoused Coloradans through a statewide homeless taskforce. The first meeting is Monday, March 23, 2020 1-2pm.

HUD has also developed an Infectious Disease Toolkit for Continuums of Care (CoC) to prepare for and manage the spread of infectious disease in shelters.

Finally, DOLA, CDPHE and other partner agencies have created guidance for homeless care providers that is posted on the COVID-19 website.

Can I leave home to take care of an elderly or sick family member or friend?

Yes. Please be sure to practice social distancing and wash your hands frequently. Elderly people and people with suppressed immune systems are at heightened risk for contracting COVID-19.

Does the Stay in Place order mean I can't take my kids to the park?

State parks will be open during the Stay in Place order. Families will still be able to go outside, including to local parks and outdoor spaces that remain open, and take a walk, run, or bike ride but should continue to practice social distancing by remaining 6 feet away from other people. **Municipalities are encouraged to extend hours of parks to encourage spacing, and to close parks in which visitors are seen to be routinely violating spacing guidelines.** Playgrounds are closed because they pose a high risk of increasing transmission.

Is child care open?

Licensed child care remains open under specific guidance from public health. We are working to ensure all essential workers have access to childcare services so are licensing new centers and those that may have closed, on an emergency basis, to ensure there are enough spots for the children of essential workers. For urgent child care needs, contact 2-1-1.

Can I pick up meals being provided by my child's school?

Yes. Schools that provide free food services to students will continue on a pick-up and take-home basis.

Pets

What about my pet?

Pet supply stores and veterinary services will remain open. You are allowed to walk your dog and seek medical care for your pet should they require it. Be sure to practice social distancing while out on walks, maintaining at least 6 feet from other neighbors and their pets.
