Department of Public  
Health & Environment

### SECOND AMENDED PUBLIC HEALTH ORDER 20-38 LIMITED COVID-19 RESTRICTIONS

May 14, 2021

#### PURPOSE OF THE ORDER

I am issuing this Public Health Order (PHO or Order) in response to the existence of thousands of confirmed and presumptive cases of Coronavirus disease 2019 (COVID-19) and related deaths across the State of Colorado. This Order supersedes PHO 20-36 COVID-19 Dial and PHO 20-29 Voluntary and Elective Surgeries and Procedures, and implements reduced restrictions for individuals, businesses and activities, as well as reporting requirements for hospitals, to prevent the spread of COVID-19 further in Colorado.

#### FINDINGS

1. Governor Polis issued **Executive Order D 2020 003** on March 11, 2020, declaring a disaster emergency in Colorado due to the presence of COVID-19. Since that time, the Governor has taken numerous steps to implement measures to mitigate the spread of disease within Colorado, and has further required that several public health orders be issued to implement his orders.
2. I have issued public health orders pertaining to the limitation of visitors and nonessential individuals in skilled nursing facilities, intermediate care facilities, and assisted living residences; defining the terms of the Governor's **Stay at Home, Safer at Home, and Protect our Neighbors** requirements as well as **Critical Business** designations; requiring hospitals to report information relevant to the COVID-19 response; and requiring the wearing of face coverings in the workplace and urging their use in public. These measures all act in concert to reduce the exposure of individuals to disease, and are necessary steps to protect the health and welfare of the public. Additionally, in reducing the spread of disease, these requirements help to preserve the medical resources needed for those in our communities who fall ill and require medical treatment, thus protecting both the ill patients and the healthcare workers who courageously continue to treat patients.
3. As of May 13, 2021, there have been 524,190 known cases of COVID-19 in Colorado, 29,062 Coloradans have been hospitalized and 6,556 Coloradans have died from COVID-19. Multiple sources of data show that COVID-19 transmission and the use of the hospital system due to COVID-19 have leveled off in Colorado.

## **Second Amended PHO 20-38 COVID-19 Restrictions**

**May 14, 2021**

4. With the rescission of PHO 20-36 COVID-19 Dial, but the pandemic ongoing, it remains critical for individuals, communities, businesses, and governments to remain vigilant regarding the spread of COVID-19. Individuals are encouraged to remain at least 6 feet away from non-household contacts, wash their hands, and wear a face covering to reduce the likelihood of disease transmission. As we continue to combat COVID-19 in our communities, continuing some limited requirements to mitigate disease spread remain appropriate.

5. The following additional public health orders remain in effect:

- a. PHO 20-20 Requirements For Colorado Skilled Nursing Facilities, Assisted Living Residences, Intermediate Care Facilities, And Group Homes For COVID-19 Prevention And Response;
- b. PHO 20-33 Laboratory Data Reporting for COVID-19; and
- c. PHO 20-37 Vaccine Access And Data Reporting For COVID-19.

### **INTENT**

This Order includes limited requirements for individuals and businesses to mitigate the spread of COVID-19 in Colorado. The Order incorporates the requirements of **Executive Order D 2020 138**, as amended and extended by **Executive Order D 2020 164, D 2020 190, D 2020 219, D 2020 237, D 2020 245, D 2020 276, D 2020 281, D 2021 007, D 2021 035, D 2021 056, and D 2021 079** concerning face coverings. Additionally, the Order maintains some restrictions on certain activities while we continue to take steps to limit the spread of COVID-19 in Colorado, and includes a provision that authorizes CDPHE to require a county to comply with additional restrictions should certain metrics be met. The Order also includes hospital reporting requirements regarding bed capacity to provide the State with critical information to assess the status of the COVID-19 pandemic relative to the statewide capacity to provide necessary medical care and services to Coloradans.

### **ORDER**

This Order supersedes and replaces Public Health Orders 20-29 and 20-36, as amended, effective at 12:01 AM on Saturday, May 15, 2021.

#### **I. COVID-19 RESTRICTIONS**

##### **A. FACE COVERINGS**

1. Face coverings are required pursuant to **Executive Order D 2021 103** for certain individuals, age eleven (11) and older, in the following settings:
  - a. Preschool through grade 12 schools (including extracurricular activities)

## Second Amended PHO 20-38 COVID-19 Restrictions

May 14, 2021

- and child care centers and services; *however*, fully vaccinated individuals, including vaccinated children ages 16-18, in a classroom, cohort, or other group of children may remove masks where the teacher(s), caregiver(s), or other staff whose primary responsibility is education or childcare have provided proof of fully completed vaccination to their employer;
- b. Unvaccinated or not fully vaccinated staff of Colorado Department of Motor Vehicle offices;
  - c. Unvaccinated or not fully vaccinated residents, staff, and visitors to congregate care facilities, including nursing facilities, assisted living residences, intermediate care facilities, and group homes, except in situations where removal is authorized by the Centers for Medicare and Medicaid Services;
  - d. Unvaccinated or not fully vaccinated residents, staff, and visitors to Prisons;
  - e. Unvaccinated or not fully vaccinated residents, staff, and visitors to Jails;
  - f. Unvaccinated or not fully vaccinated personnel in emergency medical and other healthcare settings (including hospitals, ambulance service centers, urgent care centers, non-ambulatory surgical structures, clinics, doctors' offices, and non-urgent care medical structures);
3. Exceptions to the face covering requirements include
    - a. individuals 10 years of age or younger,
    - b. individuals who cannot medically tolerate a face covering, and
    - c. individuals participating in one of the activities described in Section II.G of **Executive Order D 2021 103**.
  4. Face coverings of unvaccinated or not fully vaccinated individuals may be removed in a school classroom setting for the limited purpose of playing an instrument that cannot otherwise be played while wearing a face covering.
  5. Nothing in this Order changes or abrogates the Centers for Disease Control and Prevention's (CDC) Order on January 29, 2021, requiring the wearing of masks by travelers to prevent the spread of COVID-19. All Coloradans must abide by the CDC's Order, which can be found at <https://www.cdc.gov/quarantine/masks/mask-travel-guidance.html>.

### **B. ALL BUSINESSES AND GOVERNMENT ENTITIES.** All businesses and government entities shall comply with the requirements in this Section I.B.

1. Work Accommodations. Employers are strongly encouraged to provide reasonable work accommodations, including accommodations under the Americans with Disabilities Act (ADA) for individuals who cannot obtain access to COVID-19 vaccine or who for medical or other legal reasons cannot take a COVID-19 vaccine.

**Second Amended PHO 20-38 COVID-19 Restrictions**  
**May 14, 2021**

2. Face coverings. All employers must implement the face covering requirements in **Executive Order D 2021 103** as applicable.
3. Disease mitigation practices. Employers and sole proprietors are strongly encouraged to follow the best practices for disease mitigation found in [CDPHE Guidance](#).

**C. MASS INDOOR GATHERINGS**

1. In addition to the requirements in Section I.B of this Order, the requirements in this Section I.C apply to **Mass Indoor Gatherings**.
2. a. When more than 100 people are gathered in a room in a **Public Indoor Space**, the setting may operate at 100% capacity not to exceed 500 people, with 6 feet distancing required between parties of unvaccinated people or when vaccination status is unknown. Existing approved variances remain in effect, including 5 Star Program approvals granted by a county. Venues may apply to their local public health agency for a variance to exceed 500 people, to be finally approved by CDPHE. These requirements do not apply to the following sectors:
  - i. Places of worship and associated ceremonies,
  - ii. Retail services,
  - iii. Restaurants that have sit-down dining and do not have unseated areas where 100 or more people could gather (such as dance floors or common gathering areas), and
  - iv. School proms and graduations that wish to exceed these thresholds shall be subject to review and approval by local public health agencies in accordance with CDPHE [prom](#) and [graduation](#) guidance.

**D. SCHOOLS AND CHILD CARE**

1. **Schools** and child care shall work with their local public health agencies as COVID-19 cases occur, and shall follow the CDPHE guidance for [Cases and Outbreaks in Schools and Child Care](#).
2. **Schools** that are entirely remote learning due to ongoing COVID-19 cases and outbreaks shall not have in-person extracurricular activities; except that outdoor graduations may be approved by the local public health agency.

## **Second Amended PHO 20-38 COVID-19 Restrictions**

**May 14, 2021**

### **F. ADDITIONAL COUNTY RESTRICTIONS**

1. CDPHE may require counties whose resident hospitalizations threaten to exceed 85% of hospital or hospital system capacity to implement additional restrictions to mitigate disease transmission.

### **G. NON-CONGREGATE SHELTERING**

1. Governmental and other entities are strongly urged to make shelter available to people experiencing homelessness whenever possible and to the maximum extent practicable, and are authorized to take all reasonable steps necessary to provide non-congregate sheltering along with necessary support services to members of the public in their jurisdiction as necessary to protect all members of the community.

## **II. HOSPITAL FACILITY REPORTING**

A. COVID-19 Case Reporting. All Colorado hospitals shall report to CDPHE in a form and format determined by CDPHE, certain information for all suspected (pending laboratory test) and confirmed (positive laboratory test) cases of COVID-19, including but not limited to:

1. race and ethnicity;
2. numbers of suspected and confirmed cases who are hospitalized, who are hospitalized and using a ventilator, or who are in the emergency department waiting for an inpatient bed;
3. numbers of suspected and confirmed cases who are discharged and in recovery;
4. deaths due to COVID-19; and
5. medical equipment and supply information, including but not limited to total bed and intensive care unit (ICU) bed capacity and occupancy, ventilator availability and utilization, and availability of N95 masks.

Reporting by hospitals shall be done in CDPHE's EMResource reporting system on a daily basis or as otherwise required by this Order.

B. Hospital Bed Capacity Reporting. All Colorado hospitals shall report to CDPHE the following in EMResource daily at 10:00 a.m.:

1. The daily maximum number of beds that are currently or can be made available within 24 hours for patients in need of ICU level care; and
2. The daily maximum number of all staffed acute care beds, including ICU beds, available for patients in need of non-ICU hospitalization.

## **III. DEFINITIONS**

## Second Amended PHO 20-38 COVID-19 Restrictions

May 14, 2021

- A. Fully Vaccinated** means two (2) weeks after a second dose in a two dose-series of the COVID-19 vaccine, such as the Pfizer or Moderna vaccine, or two (2) weeks after the single-dose vaccine ,such as Johnson & Johnson’s Janssen vaccine.
- B. Mass Indoor Gathering** is any indoor space where more than 100 unvaccinated individuals or individuals with unknown vaccination status are gathered in a room.
- C. Public Indoor Space** means any enclosed indoor area that is publicly or privately owned, managed, or operated to which individuals have access by right or by invitation, expressed or implied, and that is accessible to the public, serves as a place of employment, or is an entity providing services. **Public Indoor Space** does not mean a person’s residence, including a room in a motel or hotel or a residential room for students at an educational facility.
- D. School** means pre-kindergarten through 12th grade. A school includes all grade levels contained in a building or multiple buildings on a campus.

### IV. ENFORCEMENT

This Order will be enforced by all appropriate legal means. Local authorities are encouraged to determine the best course of action to encourage maximum compliance. Failure to comply with this order could result in penalties, including jail time, and fines, and may also be subject to discipline on a professional license based upon the applicable practice act.

### V. SEVERABILITY

If any provision of this Order or the application thereof to any person or circumstance is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

### VI. DURATION

This Order shall become effective on Saturday, May 15, 2021 and will expire on June 1, 2021 unless extended, rescinded, superseded, or amended in writing.

  
Jill Hunsaker Ryan, MPH  
Executive Director

## **PUBLIC HEALTH ORDER SIMPLIFIED COVID-19 DIAL**

Pursuant to C.R.S. §§ 25-1-506, 508, 509, and 516, the Tri-County Health Department (“TCHD”) hereby issues this Public Health Order so as to continue to control and slow the spread of the SARS-CoV-2 virus (“coronavirus”) and to mitigate the effects of the disease resulting therefrom (the coronavirus and the disease resulting therefrom shall be referred to herein as “COVID-19”). The goal of this Order shall be to continue to control and reduce the spread of COVID-19, to protect public health, safety, and welfare, and to maintain consistent healthcare capacity in TCHD’s jurisdiction.

### **I. FINDINGS**

Whereas, TCHD has public health jurisdiction over Adams, Arapahoe, and Douglas Counties. In furtherance of its jurisdiction, TCHD has the power and duty to investigate and control the causes of epidemic or communicable diseases and conditions affecting the public health within its jurisdiction, as well as the power and duty to close schools and public places and to prohibit gatherings of people when necessary to protect public health, and to establish, maintain, and enforce isolation and quarantine, and in pursuance thereof, to exercise physical control over property and over persons within TCHD’s jurisdiction as it may find necessary for the protection of public health.

Whereas, COVID-19 is a respiratory illness transmitted like other respiratory illness through person-to-person contact or through respiratory droplets or aerosols that people expel when they breathe, cough, or sneeze. Persons can be infected with COVID-19 and be asymptomatic yet still contagious. Persons can be contagious 48 hours before developing symptoms. Many people with COVID-19 have mild symptoms and do not recognize that they are infected and contagious and that they can unintentionally infect others. Persons infected with COVID-19 may become symptomatic anywhere from two to fourteen days after exposure. Symptoms include fever, cough and/or shortness of breath or difficulty breathing. Individuals with serious chronic health conditions and older adults are most at risk for becoming very ill with this disease.

Whereas, due to the presence of COVID-19 in Colorado, states of emergency were declared by the State of Colorado and the Counties of Adams, Arapahoe, and Douglas, and those states of emergency continue. In an effort to control and reduce the spread of COVID-19, various executive orders have been issued by the Governor of Colorado, and various public health orders have been issued by the Colorado Department of Public Health and Environment (“CDPHE”) and TCHD.

Whereas, there is substantial evidence of the continued spread of COVID-19 throughout TCHD’s jurisdiction. As of April 9, 2021, there are 132,885 known positive cases in Adams, Arapahoe, and Douglas Counties, and 1,595 deaths in those Counties. In addition, incidence rates (cases/100,000) have recently been increasing and over the past 7 days exceed 7-day rates of 100 in all three counties: Adams at 166, Arapahoe at 153, and Douglas at 229. In addition, there is evidence of spread of more contagious and potentially more severe variant strains in each county.

Whereas, scientific evidence shows that limiting interactions among people slows virus transmission and, as social distancing restrictions are relaxed, that the wearing of facial coverings by individuals while in public areas, capacity restrictions, hygienic practices, and other protocols stated herein assist in maintaining reduced virus transmission by reducing the spread of COVID-19.

Whereas, on April 16, 2021, Executive Order D-2020-235 issued by the Governor and Public Health Order 20-36 issued by CDPHE, as amended and extended, are expected to expire and the COVID-19 Dial will become non-mandatory guidance at the State level.

Whereas, vaccine access is increasing but vaccine is not yet available to everyone who wants to be vaccinated.

Whereas, hospital admission rates of County residents provides a County-specific metric that accounts for severity of cases.

Whereas, Counties in the Denver Metropolitan Area, to ensure consistency and minimize confusion for businesses and the community, desire to adopt CDPHE's COVID-19 Dial as issued on April 4, 2021, and as amended herein. Each County will be assigned to the next less-restrictive Level on the Dial, based on the County's metrics under Public Health Order 20-36 as of April 16, 2021.

## II. DEFINITIONS

1. Critical Business is any business that is designated as a critical business under the terms of the CDPHE "[Tenth Amended Public Health Order 20-36 COVID-19 Dial](#)" dated April 4, 2021.
2. Critical Government Function is any governmental function that is designated as critical under the terms of the CDPHE "[Tenth Amended Public Health Order 20-36 COVID-19 Dial](#)" dated April 4, 2021.

## III. ORDER

Pursuant to the statutory authority granted to the Executive Director/Public Health Director of TCHD, and at the authorization and direction of the TCHD Board of Health, the following is ordered:

1. **Assignment to and Movement Between Dial Levels – April 16, 2021 and May 15, 2021**
  - a. **Phase 1: Moving Toward Full Re-opening – In Effect for 30 Days**
    - i. **Level Designation:** Upon devolution of statewide Public Health Order 20-36, on April 16, 2021, TCHD adopts the state's Dial framework, as modified below, and counties within the agency's jurisdiction will be assigned to one Level less restrictive based on their Dial metrics as of April 16, 2021.
    - ii. **Duration:** Between April 16, 2021 and May 15, 2021, each County will remain at this new assigned Level on the Dial.
    - iii. **Movement:** Counties will not be moved to more or less restrictive Levels during this 30-day Phase I.
    - iv. **Restrictions:** Counties must follow the Capacity Restrictions for their assigned Level located in Section III. 2. and Appendix A of this order and the Mitigation Requirements for All Sectors located in Section III. 3. of this order.
  - b. **Phase 2: Observation Period – May 16, 2021 through August 15, 2021**
    - i. **Level Designation:** Upon conclusion of Phase I on May 15, 2021, each county will be assigned to Level Clear – New Normal – 100% capacity with no Mitigation Requirements. Face covering requirements may still apply.

- ii. **Duration:** Between May 16, 2021 and August 16, 2021 – 90 days – each County will remain at Level Clear, subject to observation by TCHD.
- iii. **Movement:** Each County will begin Phase II in Level Clear. Each County may then be assigned to the Dial Level most reflective of their [rate of hospital admissions of County residents](#) as described in this section and Appendix A. Counties will be moved to more or less restrictive Levels if experiencing rates reflective of more or less restrictive Levels for 7 consecutive days over a 14-day rolling average.
  - 1) **Level Clear:** 0-2 hospital admissions of County residents per 100,000 population
  - 2) **Level Blue:** 2-3 hospital admissions of County residents per 100,000 population
  - 3) **Level Yellow:** 3-4 hospital admissions of County residents per 100,000 population
  - 4) **Level Orange:** 4-5 hospital admissions of County residents per 100,000 population
  - 5) **Level Red:** More than 5 hospital admissions of County residents per 100,000 population
  - 6) **Level Purple:** More than 5 hospital admissions of County residents per 100,000 population and hospital capacity is threatened.
- iv. **Restrictions:** Counties must follow the Capacity Restrictions for their assigned Level located in Section III. 2. and Appendix A of this Order. Mitigation Requirements for All Sectors located in Section III. 3. of this Order are not required under Level Clear.

## 2. Capacity Restrictions

- a. Counties shall follow the capacity restrictions set forth on Appendix A for their Level designation.
- b. Any business or activity not specifically addressed in this Order or Appendix A may operate as an Indoor or Outdoor Event, depending on whether the business or activity is indoors or outdoors.
- c. There are no local Capacity Restrictions or Mitigation Requirements in Level Clear.

## 3. Mitigation Requirements for All Sectors – Levels Blue, Yellow, Orange, Red and Purple

- a. All requirements in this section shall apply unless impossible or unsafe to carry out the activity or function while complying.
- b. Critical Businesses and Critical Government Functions may continue to operate, and must comply with Distancing Requirements, under all of the requirements in this Order, and any applicable executive orders or CDPHE public health orders and mandatory guidance, unless doing so would make it impossible to carry out critical functions.
- c. **Distancing Requirements**
  - i. Individuals shall maintain at least 6 feet of distance from other individuals who are non-household members. However, nothing in this section shall limit groups of up to 10 individuals from attending events together or patronizing a restaurant or bar

together; and nothing in this section shall limit organized sports activities; so long as these activities comply with the requirements of this Order.

- ii. Businesses should arrange their space or seating areas to accommodate 6-foot distancing of non-household members at all times.
- iii. Shared or common indoor areas where people congregate without observing 6-foot distancing should be closed or discouraged.
- iv. Virtual meetings should occur where possible to reduce unnecessary in-person gatherings.
- v. Prioritize remote work and enable it whenever practical.
- vi. Adopt policies to reduce density, such as staggering arrivals and dismissals of employees and customers, using reservation systems, marking spaces 6-feet apart where lines tend to form, and designating separate entrances and exits.

**d. Face Covering Requirements**

- i. Face coverings are required pursuant to Executive Order D 2020 138, as amended and extended, and TCHD's [Face Covering Order](#), as amended and extended.
- ii. Employers should provide protective gear such as face shields and gloves, where appropriate, and face coverings.

**e. Hygiene, Symptoms, Cleaning and Disinfecting**

- i. Employers must require employees showing any symptoms or signs of sickness, or who has been in contact with known positive cases to stay home. Employers must ensure paid sick leave policies are consistent with state law and communicate those policies in writing to employees. See the Colorado Department of Labor and Employment's [Paid Leave Under the Healthy Families and Workplaces Act Interpretive Notice & Formal Opinion \[En Español\]](#) and [Colorado Workplace Public Health Rights Poster \[En Español\]](#).
- ii. Customers showing any symptoms or signs of sickness, or who have been in contact with known positive cases must stay home and follow isolation and quarantine guidance. Businesses should implement flexible cancellation policies to encourage customers to stay home when ill or exposed.
- iii. Follow [CDC's When and How to Wash Your Hands guidance](#).
- iv. Follow [CDC's Cleaning and Disinfecting Your Facility guidance](#).

**f. Ventilation**

- i. Ensure proper ventilation and maximize ventilation by adopting strategies such as opening windows whenever possible and upgrading air filters.

**g. Signage**

- i. Post signage that face coverings are required to enter any public indoor space per the requirements of Executive Order D 2020 138, as amended, or per the requirements of TCHD's Face Covering Order.
- ii. Post signage on good hygiene practices, including washing hands and distancing.
- iii. Post signage prohibiting anyone showing any symptoms or signs of sickness from entering.

- iv. All signage should be easy to follow and in languages employees and customers understand.

**h. Personal Social Gatherings**

- i. Indoor Personal Social Gatherings should follow [CDC guidance on gatherings](#).

**4. Business 5 Star Certification Programs**

- a. Counties may choose to continue their Business 5 Star Certification Programs under this Order.
- b. All County Program operations must comply with CDPHE's Program requirements, as stated in Tenth Amended Public Health Order 20-36, except that businesses are not required to symptom screen customers or collect contact information from customers.

**IV. OTHER PUBLIC HEALTH ORDERS RELATED TO COVID-19**

This Order is intended to be and shall be read and construed in concert with and as a supplement and addition to all federal, state and local laws and orders related to COVID-19.

To the extent any federal, state, or local municipal orders or laws are more restrictive than what is set forth herein, such orders or laws control.

Local municipal governments within TCHD's jurisdiction retain the authority to issue and enforce equally or more restrictive orders than are set forth herein.

**V. ADVISEMENT AND ADDITIONAL INFORMATION**

Along with CDPHE, TCHD is tasked with protecting public health, safety, and welfare of the citizens of Adams, Arapahoe, and Douglas Counties as it relates to epidemic and communicable diseases, including COVID-19. This Order is necessary to control transmission of that disease to persons and to maintain consistent healthcare capacity in TCHD's jurisdiction. Immediate issuance of this Order is necessary for the preservation of public health, safety, and welfare.

If you have questions regarding this Order, or to report suspected violations of this Order please contact TCHD at 303-220-9200 or view the COVID-19 information on TCHD's website at [www.tchd.org](http://www.tchd.org). Please do not call 911 to report violations of this public health order.

This Order has the effect of law. TCHD will attempt to seek voluntary compliance through education, technical assistance and warning notices. However, this Order may be enforced by any appropriate legal means. It is unlawful for any person to willfully violate, disobey, or disregard this Order. Any person who does so may be subject to the penalties provided in C.R.S. §§25-1-516 and 18-1.3-501. In addition, if you do not comply with this Order, TCHD may seek a court order in Colorado state district court to enforce this Order and/or to restrain or enjoin any violation of this Order.

Any business open to the public that violates this Order, or allows or permits an individual to enter or remain in the business or on its premises in violation of this Order, may be subject to the closure of the business and/or suspension or revocation of its license by the appropriate licensing authority as provided by law.

Any person aggrieved and affected by this Order is entitled to Colorado state district court judicial review of this Order pursuant to and in accordance with C.R.S. §25-1-515. However, the aggrieved and affected person must continue to comply with the terms of this Order while his, her, or its request for judicial review is pending.

If any part or provision of this Order or the application thereof to any person or circumstance is held to be invalid, the remainder of this Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the parts and provisions of this Order are severable.

This Order shall be in effect at 12:01 a.m. on April 16, 2021 and shall terminate at 11:59 p.m. on August 16, 2021, unless earlier amended, extended, or rescinded in writing by the Executive Director of TCHD. In accordance with the TCHD Board of Health Policy dated November 6, 2020, a County within TCHD's jurisdiction may, by written resolution of its governing body, opt out of this Order within seven (7) days of the date of this Order through written notification to TCHD at [communications@tchd.org](mailto:communications@tchd.org), which notification must attach a copy of the written resolution of the County's governing body. Any county that opts out of this order can opt back in at any time through written notification to TCHD at [communications@tchd.org](mailto:communications@tchd.org).

DONE AND SIGNED, as the official Order of the Executive Director/Public Health Director of the Tri-County Health Department on this 9<sup>th</sup> day of April, 2021, at the authorization and direction of the TCHD Board of Health.

TRI-COUNTY HEALTH DEPARTMENT
